

MARYSVILLE MUSIC BOOSTERS

MARYSVILLE PILCHUCK HIGH SCHOOL

Dear Business,

The Marysville Music Boosters has an excellent opportunity for all businesses. Whether you are a business owner or employed by one, becoming a business sponsorship is an excellent advertising tool.

For \$250.00, you will get a personalized Company Logo on the band trailer which is 16" X 5 1/2" decal for two years. Along with your trailer decal, your company will be recognized as a sponsor on the Marysville Music Boosters website linked to your business. The Marysville Music Boosters will also graciously thank you on social media which has the opportunity to reach people far beyond the already vast music community that utilizes the Marysville Music Boosters website. Please see the attached sponsorship form for other options available.

Your sponsorship will help the Marysville Music Booster nonprofit organization support the Marysville Pilchuck High School music program to meet expenses above the annual school budget allotment. The Marysville Music Boosters is a volunteer organization so funds go directly to helping the music program and its students.

The music program at Marysville Pilchuck High School consists of: Symphonic Band, Wind Ensemble, Percussion Ensemble, Jazz Band, Marching Band, Choir, Colorguard and Winterguard. The students involved in the music program works very hard to be the best.

During the 2012/2013 school year the music program participated in the Heritage Festival. Music ensembles of schools from 6 different states and 2 countries were represented in the international festival. The concert choir received a Bronze award for their performance. The Jazz Ensemble received a Silver award and placed 3rd of the ensembles in their division. The Wind Ensemble received a Gold award, placing 1st of the ensembles in their division, and received an invitation to perform in Carnegie Hall in New York.

Along with other countless performances, our students cannot continue this level of success without your support. Please accept our gratitude for considering this opportunity and helping the Marysville Music Boosters further the music program at the Marysville Pilchuck High School. You can contact us by email: msvl.musicbooster@yahoo.com.
